Key Messages

Thinner. Lighter. Faster. 10-hour battery

- All-new design—33% thinner and up to 15% lighter; available in black or white
- Dual-core Apple A5 chip for faster performance
- Up to nine times the graphics horsepower
- Two cameras for FaceTime video calling, HD recording, and PhotoBooth
- Same great 10-hour battery life—with an even thinner and lighter design
- Video Mirroring allows the iPad screen to be displayed on a TV, projector, or other HDMI device with the new Apple Digital AV Adapter (sold separately)
- New Wi-Fi + 3G model for Verizon (U.S. only)

Amazing new apps and iOS

- FaceTime video calling over Wi-Fi to iPad 2, iPhone 4, new iPod touch, and Intel-based Macs
- Use Photo Booth to capture snapshots and apply eight fun effects using Multi-Touch gestures
- Capture and edit HD video and then share through Mail or YouTube
- New iMovie and GarageBand apps for iPad coming soon on the App Store for \$4.99 each
- iPad 2 ships with iOS 4.3—the world's most advanced mobile operating system

Smart Covers

- Smart Cover and iPad 2 were designed together to provide a thin, durable cover for iPad while maintaining a thin design
- Attaches magnetically, folds into a stand, and instantly wakes and sleeps iPad when opened or closed
- Use as a stand when making FaceTime video calls, typing, and watching videos
- Available in 10 colors: gray, blue, green, orange, and pink in polyurethane for \$39 each; and cream, tan, black, dark blue, and red² in rich aniline-dyed leather for \$69 each
