

Cal Poly Pomona Instant Access Program VitalSource eBook Setup Instructions

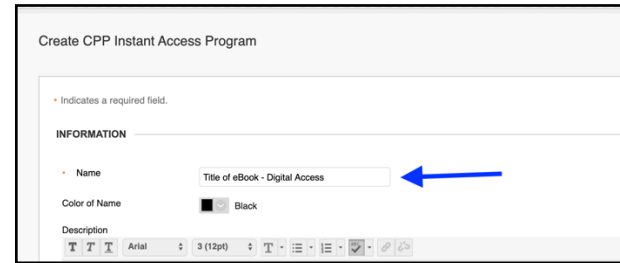

1. Navigate to the Blackboard course in question and create a new **Content Area** and title it whatever you'd like (eBook Access etc.):

2. Navigate to content area, hover over **Build Content** icon and scroll down to **CPP Instant Access Program** option to select.

3. Enter title of eBook or other title, then hit **Submit** at the bottom right of the screen

4. After you have hit **Submit** and saved the tool in your content area, you're ready to click on your link and access your material!

Please note, if you do not see content immediately after clicking the link for the first time, please wait 60 minutes and try again. The system can take up to an hour to sync.

If after 60 minutes you do not see the eBook you are expecting, please contact your campus bookstore for assistance.
